

# RUBITHON 2008

20th Annual "Hall of Fame" Run  
June 18-22, 2008 ★ [www.rubithon.com](http://www.rubithon.com)

## HALL OF FAME RUN

Come join Bob Garrett and other original members of TLCA for the 20th annual Rubithon!

To confirm your attendance and guarantee ordered merchandise, we must receive your registration by May 31. Registrations after this date will be charged a late fee of \$25. No refunds after 5/31.

The Rubicon Trail is one of the most challenging trails and perhaps the most threatened trail in the U.S. Rules, restrictions and guidelines are actively enforced. Minimum vehicle requirements: 33" tires, and either a single locker or lower gearing. All vehicles must have: Hi Lift Jack, front and rear recovery points, a strap (no chains or metal hooks), fire extinguisher, first aid kit and personal toilet. Gloves are required for all spotters who may need to stack rocks.

All attendees must be TLCA members. If you are not, you can include your membership dues on the registration form. Your truck must meet or exceed minimum TLCA safety requirements. If not, request approval directly from Rubithon Chairman.

**Great deal! The Premier Package includes everything:** event registration, two Saturday breakfasts, two Saturday dinners, two event T-shirts, 1st class TLCA membership, event hoodie and additional Grand Prize Raffle ticket!

## IMPORTANT: PLEASE APPLY BY MAY 31

Registering early will help make sure we have the right amount of food, t-shirts, etc., and will protect the sanity of your cheerful Rubithon committee. We thank you!

Send your application to:
