

CRUISE MOAB HISTORY

The first "UNOFFICIAL MOAB GET TOGETHER" Event was held on April 29 to May 5, 1996. Al Roth "Candle Stick" a member of TOYOTA LAND CRUISER ASSOCIATION (TLCA) and the GOLD COAST CRUISERS of Oxnard, California came up with the idea of having Toyota Owners get together and 4-wheel in Moab. He printed the idea in the Nov/Dec 1995 issue Toyota Trails. He got a large response from the cruiser heads wanting to do it. Al printed some "UNOFFICIAL MOAB GET TOGETHER" t-shirts and headed out to Moab in his FJ40 on April 27, 1996.

Al was also transporting "LC" the Armadillo on its cross county journey. "LC" was the TLCA mascot, which started his journey on the East Coast, and was being carried from one TLCA Chapter to the next by way of Land Cruisers and Mini Trucks until it reached the West Coast.

About 36 Cruisers and Mini Trucks showed up at the Slick Rock Campground. Al had never been there and didn't know the trails. As it turned out Dave Brown "Red Fox" another TLCA member just happened to be staying at Slick Rock Campground wheeling with some friends. They had been wheeling in Moab for several years and knew the area. "Red Fox" and his friends led Al and the "Unofficial Cruise Moab" group on the trails through Canyon Lands. It was so much fun for everyone that they wanted it to become an annual event. Kevin Ehrlick from the Rising Sun Club of Denver, Colorado volunteered to have Rising Sun host the event the following year.

The 1997 CM COMMITTEE paved the way for future events that continue today. Dave Spratlen headed the committee. He and Chris Hatfield approached the Bureau of Land Management (BLM) and obtained the necessary permits. Bruce Minney provided the artwork on logos and t-shirts. Gregg Luer and Dave Brown obtained raffle prizes. Kevin Ehrlick obtained camping and dinner accommodations. Rob Meredith handled the trail assignments for the participants and trail leaders/gunners.

"CRUISE MOAB" has become one of the premiere annual TLCA events. It has been the result of a lot of hard work of all the CRUISE MOAB committees, RISING SUN volunteers and other TLCA chapter volunteers over the years.

Thank you for being a part of history.

SCHEDULE OF EVENTS

Tuesday, April 29

Kokopelli Double Overnight Run begins

Wednesday, April 30

	San Rafael Swell Overnight Run begins
8:00 a.m. – noon	Vehicle Tech Inspection & Registration (Canopy South of Tent)
